JOSEPH LIANGOUSUAN TONSING

Programmer / Software Developer

@ tjosephsuan@gmail.com 🔗 joeswantonsing.github.io/portfolio 📍 Shillong

SUMMARY

I am a passionate Full-Stack Developer dedicated to building everything from simple websites to complex, full-scale applications. I specialize in developing intuitive, scalable, and high-performing solutions that streamline operations and enhance user experiences. My approach combines creativity, analytical thinking, and attention to detail to deliver high-quality, maintainable solutions tailored to modern needs. I enjoy working on innovative projects and continuously expanding my skill set to stay ahead in the ever-evolving tech landscape.

EXPERIENCE

Programmer

NIC Meghalaya

📅 2021   📍 Shillong, India

Company Description

- Engaged in prototype design, development, deployment, and ongoing support for multiple government web applications, serving various state departments.
- Collaborated with stakeholders to gather requirements, enhance existing systems, and implement new features based on departmental needs.
- Designed UI/UX prototypes for web applications, ensuring accessibility, responsiveness, and user-friendly interfaces.
- Provided technical support, debugging, and error resolution, ensuring system stability and seamless user experience.
- Worked on performance optimization, security enhancements, and database management to improve application efficiency.

Full Stack Developer

EL-ROOTS

📅 2019 - 2021   📍 Shillong, India

Company Description

- Joined ElRoots, a startup building a local e-commerce platform modeled after Amazon and Flipkart, aimed at providing seamless online shopping experiences.
- Developed the web application with a mobile-first approach using PHP (Laravel), ensuring optimal performance, scalability, and responsiveness across devices.
- Led the transition from a web-centric platform to a mobile-first strategy, adopting React Native for cross-platform mobile development.

EDUCATION

Master of Computer Applications

Krupanidhi Degree College, Bangalore, Karnartaka

📅 2015 - 2018

Bachelor of Computer Applications

St. Edmund's College, Shillong, Meghalaya

📅 2012 - 2015
